How are all the effects of decline in morals.

Conclusion

Lack of comprehension regarding the topic

Significance of the topic??

Sentence structure

Moral decline in politics is not new problem. It is old as Pakistan old. Moral decline, political crisis

Sentence structure

occures due to the involvement of other institution in politics, not long sighted policies and lack of confidence in political leaders and members. By moral decline in politics, politics system

is unable

make

not able to do decisions which are good for the states and puts ~~the~~ result in negative manner which cause deterioration in

Sentence structure

economy, degrade the unity of country, all these factors mentioned above are against the one's country and security of a country.

Language is incoherent and severely lacking in grammar

The topic is moral decline, not political decline

The political decline in politics, the reason behind this is Mung Parliament. Mung parliament is formed with calaburation with all parties within state that are local and National level. All these <sup>political</sup> parties joins to each other and colaborate with govt

spelling

Don't abbreviate

with the interest of their party instead of the state interests and development. The Govt which is formed by the hung parliament is not stable because the party

Reference and evidence??

Sentence structure

majority of every party is not same and all the parties start leg pulling not works properly for the welfare of public and then the moral decline in politics arise.

More over, the other main factor behind the moral decline in politics is civil military divide. A country in this world remains stable when their relations with military will be stable. Under-

Sentence structure

developing countries like Pakistan, in Pakistan's birth the relations with military are in<sup>a</sup> rift and military is integrated in politics and

Since

Sentence structure

becomes the part of the political system, with the norms and traditions exercised firmly and had proved effectiveness but in developing countries, the political participation of military and civilian institutions are not

write shorter and simpler sentences

How does that relate to moral decline?  
What you are discussing is political or performance decline.

Standing at Sound Footprints. This relations leads a moral decline in Politics within civilian insti-  
tution and military:

Lack of the political experience of Party in Govt Government is the major cause of the moral decline in politics and leads towards the political crisis.

A representative party when came into Government, all the representative members are the inefficient to

perform well in society even at international level to build good relationship and make

foreign policy efficiently. which creates the rift ~~to~~ between the society as well as in parliament and Assembly members and in opposition party. ~~and~~ By this manner

and inefficient and inexperience behaviour of political and representative party being criticized and causes the moral decline.

The inexperience behaviour of politics leads a bad governance

incoherent

No validation of any arguments made

Sentence grammar and structure

Effect not cause. Current discussion is about causes

in state and criticized by the people and other parliament members which are in opposition party in parliament.

Last but not the least

not but least factor which cause the moral decline in politics and create the

political unrest in politics is conspiracy of super power country of the world. In content of history, the under developing states like Afghanistan, Palestine and importantly in Pakistan content.

Topic sentence should be short, brief and should directly address the argument

Sentence structure

The Foreign conspiracy cause the regime change in the state

and take the control over the

party or government which are not good in performance, even they are good in deliverance, they not

irrelevant

work independently, actually they work according with other interception country which not perform the

in the interest of a state and cause the unrest in a state moral decline being start by the state.

The impacts of moral decline in "politics and <sup>Incoherent</sup> ~~case~~ become reason of political crisis are severe which puts the country in danger and national security of of country is effected.

Decrease in the democratic system is the which is emerge in the result of the political decline when the political parties not working according to the given mandate which is prophet of the society is effected ultimately decline in the democratic system of a state

Political unrest and decline in the politics decrease in the Foreign direct investment (FDI). Due to the political unrest in Pakistan, FDI decrease -390.93\$ Million USD in Oct,

As decrease in foreign investment the currency rate as compared to USD dollar decline and affect the economy badly.

How does that relate to moral decline?

Hence increase inflation in a state In current scenario ~~the~~ of Pakistan inflation is at highest in history is 315%. due to the

Comparison of dollar to PKR.  $1\text{USD} = 282\text{PKR}$ .

As decrease in the economy of a state the Foreign direct investment decrease (FDI). ~~the investing country~~ FDI declining devaluation of currency and inflation increase which effects the people social socio-economic life.

As a result Poverty increase. This Poverty ~~like~~ links with crimes,

irrelevant, and unstructured

unrest, terrorism. ~~Because of the~~ crimes and terrorism impads badly the good and soft image of a country. This image deteriorate the relations with other countries. All these factors impeded the development in a country and also decrease in the economy factors.

To sum up the debate, Political and moral decline in the Politics create the unrest in a state ultimately this unrest leads towards crisis of economy, energy crisis, poverty and terrorism in the country.
