

English Précis Test - 2

title could be more specific and purposeful.

✓ Abu Bin Adem's encounter
with an angel.

Abu Ben Adem, a pious man, was ^{awakened} once woken up from his profound sleep in his room shining brightly with the presence of an angel writing in his book. He found out that his name is not among the men those who love God. He then prayed to be one who loves his fellowmen. The angel returned the next day with his name at the top.

missed the last idea.

work on the mentioned mistakes.

try to not follow the passage word by word rather grasp the idea.
