Translation

If the world does not attract you, ~~if~~ the fear of Allah brings tears to the eyes; ~~if~~ the idea of hell creates fear in you, ~~if~~ ^{you} the worship Allah as you should, ~~if~~ goodness attracts you & ~~prevents~~ ^{and} you refrain from going to the wrong path, then you are righteous. Some are righteous, some try to become righteous. Being righteous is a matter of luck. Being righteous is a continuous ^{process} ~~matter~~ of purification and struggle. It takes time and pain. and one has to endure difficulties
