

ee Abu Ben Adhem, a Pious Man

title can be more specific and relevant.

try to grasp the idea and write precis in own words.

this is very unconnected and much like the original passage itself.

One night, Abu Ben Adhem saw an angel writing something. He asked the angel about his writing. Angel told him that he was writing about names of God's lovers. Abu asked about his name. Angel replied in negative. Abu asked him to write his name in the list of human people lover's. Angel came again next night, and showed Abu that he was leading among those who are loved by God.
