English Translation Test - 1

If the world is unable to pull you towards itself, if the fear of Allah gets you teary eyed, if the thought of hellfire scares you, if you worship Allah the way he should be worshipped, if you are attracted towards the good and your feet divert from the path of wrong, then you are pious. Some are pious, while some become pious. Being pious is a great virtue. However, becoming pious requires consistent effort and bravery. It is slow and agonizing.

If you are not lured by the world, if your eyes get wet because of fear of Allah, if the thought of hell instills fear of God in you, if you worship Allah as it ought be done, if goodness attracts you and you refrain from evil paths, then you are righteous/pious. Some are born righteous, some become righteous. Being righteous is a fortunate thing. Becoming righteous is a continuous process of purification and struggle. It takes time and also requires enduring hardships
