If ^{the} world does not attract
you, if fear of Allah
brings tears to your
eyes, if the ices
of hell makes you
fear God, if you
worship Allah the way
it should be done,
if goodness attract you
and your feet are prevented
from going on a wrong
path, then you are
righteous. Some are
righteous, some become
righteous. Being righteous
is a matter of great happiness. Becoming
righteous is a
continuous process of self
purification. It takes
time and one has to
suffer a lot of pain.
