

True Spirit of the Courage

A ~~person~~ ^{general} must have the courage physically or morally. In that, health is the most important that play significant role. A ~~person~~ ^{general} should have great spirit no matter how weak his body is. The age doesn't matter for the old men whether he is in love or at war. Different poets above the age of 40 won the highest prizes of war although the highest prizes of war is considered to be won by young men. But Foch, Marlborough, Turenne had showed/ possessed energy ^{and} vitality ^{over the age of 40.} However later the men at the age of 45 enter into the services. But still, old men have the ability to absorb new ideas, their unorthodox designs and superior knowledge and judgment give them advantage over young men. Now the generals are lower in age and ^{get} retire early due to which it is a loss of good commander.

#3 Read the following passage carefully and answer the questions that follow.

- ① Infer from the passage how we "complicate our lives". List the ways in the order given. We humans complicate our lives. Instead of seeking refuge in simplicity, we have completely dependent on technological revolutionary machinery. Machine does our work, calculator resolve the arithmetic questions, computer store our knowledge, we don't use our brain. Despite these luxuries, we

suffer from pain, live the life in anxiety and depression. Luxury does not compensate for the roundabout of anxiety and depression. In this way we resign ourselves to the steady growth of complexity.

- ② In the passage how we, the writer make a reference to "the wisdom of our ancestors". What example of it does he give or imply?

The writer makes a reference to "the wisdom of our ancestors," and give example that the communication be simple and clear, and consist of concise words. They prefer simplicity. Author give the example of verse and prose, science and business.

- ③ What does "The New Tower of Babel" refer to? Who are its chief designers or builders?

The New Tower of Babel refers to the technology is in the hands of America when nuclear war started then America will be the first to misinterpret the ill-constructed message. America is its chief designer / Builders.

- ④ Give one example, implied in the passage, of what the psychologists & sociologists have been telling us what is the writer opinion of it?

The psychologist and sociologist have been telling us that we should revive the convention that parents disguise their worries from their families. Bottling up things is not invariably pernicious. Writer opinion is to teach our children to relax.

3
