2- Green thumb

There is no need to have a green thumb for planting trees.

3- Scape goat

By removing Bibi Nathanyahu from office, Israel can scape make him scape goat ~~to~~ to portray her soft image.

Part B

Hassan Ali Ghandal gave his greeting to Shahab and he wondered that when would your essay book be ready? Shahab replied that he believed, at the end of November. Hassan Ali Ghandal again asked him about ~~the~~ ^{his} deal that

it something was special about his deal as the competitive exams market was already full of essay stuff. Shahab replied that he spoke only about the international standards followed in essay writing. that he had taught at Christ Church university during his one year teachers training course. He further explained that his book followed the same standards, and different practice activities included in it rather than ready-made content for cramming. Hassan Ali Goudal replied: that was it so, then its ^{would} gonna clear most of the misconceptions about writing.

Question number 7.

Most of the youth of Pakistan are of Generation Z. This generation is characterized as those who were born after 2000 century, and as per today, this generation has reached to the age of 23 to 24. Throughout the human history, it is considered as the most physically weak and mentally ill generation. This is the generation which grew up in an most advanced technological era of human history. It became adult while using technology. It has access to internet, mobile phones, Tablets, TV channels and social media. It is socialized by social media rather than elders. Throughout the world, there is a problem with this age group - they have more anger and intolerance. It has weak physical health, and throughout human history, it is taking more time to be independent.
