Q6. (B) Direct Speech into Indirect

Hasan Ali Gondal greeted Shahab and inquired ~~when would his essay book~~ about completion of his essay book. Shahab responded that his essay book would be complete by the end of November. Hasan inquired about the reason why his book was so special as the market is already full of essay stuff.

Shahab told Hassan that he ^{has} followed the International Standards of essay writing that he was taught at Christ Church University during his one year teacher training course. In addition to that his book also contains different practice activities rather than ready-made content for Claming. Then Hasan said that if he was true many misconception about essay writing would be cleared.

Q5 (A) Punctuation

Robert Whiting, an elderly US gentleman of 83 arrived in Paris by plane, at French Customs. He took a few minutes to locate his passport in his carry on. "You have been to France before?" Monsieur the Custom Officer asked Sarcastically. Mr. Whiting admitted that he had been to France previously. "Then, you should know enough to have your passport ready." The American said, "the last time I was here, I didn't have to show it". "Impossible! American always have to show their passports on arrival in France", sneered the Custom officer. The American Senior gave the Frenchman a long, hard look. Then, he quietly explained. "Well, when I came ashore at Omaha Beach, at 4:40 am, on D-Day in 1994, to help liberate your country, I couldn't find a single Frenchman to show a passport to". You could have heard a pin drop.

QNo3. Reading Comprehension:

Q1. How we Complicate our lives. List down?

Being overly dependent on machines, we have complicated our lives. The luxury of time and ease has gifted us nothing but depression and anxiety. Our language / Communication is not simple. We Complicate the lives of our children right from their birth. We are the part of heed society without giving a serious thought to it: "rat race". Moreover, we are mentally and emotionally disturbed due to a variety of noises in our surrounding.

QNo2 "Wisdom of Ancestor" means:

According to the passage our ancestors were more thoughtful and wise than us. It was the "wisdom of ancestor" that they kept their lives simple, original and easy. There was no fear of nuclear war. Environment was natural and calm. People ^{used to} communicate in a simple language. People ~~can~~ do not just mere copied each other and became part of rat race. There was no "Tower of Babel".

QNo3: "The New Tower of Babel"

"The new Tower of Babel" according to the passage refers to the modern founders of technology, the lords of nuclear weapons and the proponents of technological revolution. According to the writer, the chief designers of this new tower of fear and evil are Americans upon whose single command a button will be pressed and everything will shatter.

QNo4. Sociologists and Psychologists?

Psychologists and sociologist preach us to be relaxed to restore our sanity. Instead of running in an unknown race of life, we should first know

ourselves and spend more time on looking inward.

So that we can recognize our true selves. According to the writer, human soul is the most important asset so one must focus on inner self rather than the discoveries and advances of material world.

Q No 5 ^{What} purpose does the writer imply?

According to the writer, we should exercise our reasoning powers and measure of choices in order to reflect upon our lives, to look inward into our inner selves because no technological revolution can do that for us. Nothing can change or pollute this insight which we gain from inward reflection of human life.

Q No # 02 Brief

Title: Various Aspects of a General's Personality.

A general must have an all encompassing package of courage. Voltaire admires courage as the greatest prize of a commander. Similarly, a military writer praises Joffre for his courage regardless of mistakes he has committed. General's health is a relative feature. Even a great soul can rule a weak body. ~~And~~ ~~to~~

Moreover, General's ~~age~~ perfect age is a perplexing query because many ^{young} generals have won high prizes. ~~Or~~ ~~the~~ ~~other~~.

On contrary, well over-age generals have been the best. Comparison of past and present general is not possible as currently the criterion has changed and general's age is lowered that's a good step.

Translation.

Ten thousands of youngsters in Pakistan fall in ~~category~~ generation Z. The age group of this generation lies between 23 to 24 yrs. as they have taken birth after 20th C.

In the history of human race this generation is ^{considered to be the most} physically weak and psychologically ill race.

The growth of this generation witnessed high level of technological advancement and became the product of it due to the availability of net and technological gadgets. This race was raised by social media not elders. Across the world this generation has only one problem that they lack patience and full of anger. Their physical health is extremely weak and this race is taking much longer time for being ^{financially} independent and stable.
