## Q #5

Robert Whiting, an elderly US gentleman of 83, arrived in Paris by plane at French Customs. He took a few minutes to locate his passport in his carry. "You have been to France before?" Monsieur, the customs officer, asked sarcastically. Mr. Whiting admitted that he had been to France previously. "Then

you should know enough to have your passport ready." The American said, "the last time I was here, I didn't have to show it." "Impossible! Americans always have to show their passport on arrival in France," sneered the custom officer. The American senior gave the Frenchman a long, hard look. Then, he quietly explained, "well, when I came ashore at Omaha Beach, at 4:30 am, on D-Day, in 1944, to help liberate your country, I couldn't find a single Frenchman to show a passport to..." You could have heard a pin drop.

Translation

Billions of Pakistanis fall in Z-generation category. This generation comes after the year of 2000, and it is now 23 or 24 years old. In all the human history, this generation is considered as physically weak and mentally upset, in all the world. It has brought up in the era of human history in which people are addictive to technology than all the other generations. This generation gets older while using technology. It has an access of internet, mobile, TV channels and social media. This generation was not taught by elders, but it was taught by social media. In all the world, this generation

has one issue: less patience and more anger. Their physical health is very weak, and they are unenergetic. Moreover, this generation is taking a lot of time in supporting themselves than all the other generations.

Q#3

(i)

Humans have complicated their lives because they are continuously suffering from anxiety, despite all the technological inventions. We can't go back to live in that simple life way. People make their language complicated. They are in the race of learning things but they are not acquiring skills. Moreover, the use of technology has taken all the comfort from people.

(ii)

The writer infers that the communication should be simple and short like our ancestors. People should spend simple life without any stress. Moreover, they should learn the skills rather than to fall in the rote learning system.

(iii)

New Tower of Babel refers to the signal of using a nuclear technology to start a nuclear war by Washington. Americans are its chief designer or builders.

(iv)

Psychologist and socialist <sup>are</sup> telling to the people that they should spend the simple life of their ancestors in which parents tackle all the issues of family. According to

writer's opinion, it will be  
benefitted for the young people  
who are depressed and anxious

(v)

The writer implies that people  
should exercise their reasoning  
powers and measure of choice.

Humans have <sup>reasoning</sup> ability which is  
absent in all other creatures. Moreover,  
humans have choices in their  
lives. By using the reasoning  
ability and choosing the right  
thing, people can bring peace in  
their lives.

difficult to determine the age limit for going to war or falling in love. Many soldiers earn reputation in different ages. If an old person has qualities of adopting new ideas, and he has the courage to face shocks, then he is better than the young person. However, a young general is better than the old ones. Decreasing the age limit of generals is a good step.
