## PART 2

### Question #2

#### Precis

A person should have the courage to remain quiet and peaceful in disorder. Peacefulness in endangerment is blessing.

A military writer who do not praise Goffar is forced to admire that his peaceful and consistent nature dominated over his all blunders. Health is also important because the great ideas can be produced in healthy body. Few says that young people defeat the enemy more courageously than old ones while others proves that there are old

of example of old ones like Marlborough was 61 at the age time of his most appreciated manoeuvre, Turenne's last Campaign was at the age of 63 and has been the boldest and many others who remain dangerous to their enemy in old age. It is impossible to give exact value to youth against old, experienced ones but there are also example of good young generals who defeated good old one that is a great step towards right direction.

Title.

Comparison of old energetic soldiers with the youth.
