## PART 2

### Question #2

#### Precis

A person should have the courage to remain quiet and peaceful in disorder. Peacefulness is an enlargement of blessing.

A military writer who does not praise Goffers is forced to admire that his peaceful and consistent nature dominated over his all blunders. Health is also important because the great ideas can be produced in healthy body. Few says that young people defeat the enemy more courageously than old ones while others proves that there are old

of example of old ones like  
Malborough was 61 at the  
age time of his most appreciated  
manoeuvre, Turenne's last  
Campaign was at the age  
of 63 and has been the  
boldest and many others  
who remain dangerous to their  
enemy in old age. It is  
impossible to give exact  
value to ~~fight~~ against old,  
experienced ones but their  
there are also a couple of  
good young generals who  
defeated good old one that  
is a great step towards  
right direction.
