Robert Whiting, an elderly US gentleman of 83, arrived in Paris by plane. At French Customs, he took a few minutes to locate his passport in his. "Carry on! You have been to France before," Monsieur, the Customs officer, asked sarcastically. Mr Whiting admitted that he had been to France previously. "Then, you should know enough to have your passport ready." The American said, the last time, I was here, I didn't have to show it. "Impossible! Americans always have to show their passports on arrival in France," sneered the Customs officer. The American senior gave the Frenchman a long, hard look. Then, he quietly explained, well, "When I came ashore at Omaha Beach, at 4:40 am, on D-Day, in 1944 to help liberate your country, I couldn't find a single Frenchman to show a passport...." "You could have a pin drop."

Narration

Hassan Ali Gondal greeted Shahab and asked when his essay book would be ready.

Shahab replied that he believed, at the end of November.

Hassan Ali Gondal further asked what was the deal. The competitive exams market was already full of essay stuff. What special was about yours.

Shahab answered him that he spoke only about the international standards followed in essay writing that he had been taught at Christ Church University during his one year teachers' training course.

His book followed the same standards. Moreover, it included different practice activities rather than ready-made content for cramming.

Hassan Ali Gondal said that if it was the same, then it was going clear most of the misconceptions about essay writing.

Answer

Qualities of a good general

A general possesses bravery, fitness, and ethics. Valour called a silence bravery with spirit is difficult to Gods present. Contrarily, another military columnist disagreed that quiet silence bravery resulted several mistakes. No doubt, health is valuable for all, but spiritus bravery is a dominant quality. After healthy, age of general is difficult to describe against defeat of enemy. Many of them praised the young generals; however, another school of thoughts appreciated the age above 40. Meanwhile, the past evidences also expressed that a man develops qualities soon after coming in service. Beyond it, it is still much difficult to describe courageous of a youngman on the basis of the past opinions and experiences. Despite all, if mental fitness of a man develops new, strong facts and opinions, it will always have supremacy to age. A strong, young general can easily get victory against a strong old general. Hence, today's age of general, no doubt, is accurate even at the loss of valuable commanders.
