Question 2:
To be a commander opurage
is essential and being calm negates
any Kind of stoalegic blunder Additionally
 health is important, but a strong
 spirt can rule in a ineak body. Now
the grestion axises about the
achieved glory when they
were hove the age of 60.
were store the age of 60. However, while comparing to the
past one should keep in minel
that growth was slower back then.
It its possibile to compare wiseness
good age with bravery of young. Indeed, a majure mind
can give better judgement. Nonethela
il compost to dominal a good
old general will lose againderstanding of the sood a young general. Thus, lower judge for general a good decision
good a young general. Thus, lower
judge for general a good decision
Title: Trails of a general.
Words: 108.
