## Age of Generals: A Versed Question

Courage is a prerequisite for a general. Complemented with calm and determination, courage can help balance one's dire mistiks. Although physical health is also important but it is subordinate to a healthy by the most important matter is the determine the appropriate age for general. No doubt; some generals have succeeded in their young age, 7 others have achieved great milestones in class of An older person has advantige over youngsters due to his wisdom. On the other hand, youngsters have physical superiorly over the older. one. Deducing the age limit for generals is a commendable decision, though it can result in an early retirement of a good general.
