Attributes of a good General

What makes a general great?

According to the author a general should have courage, physique and morality. As courage renders calmness and determination to a general in time of danger. Health is also good quality but a great spirit may reside in a weak body. However,

the question of age for a great general to become beggers description. As many young generals have shown their mettle at very young age. On contrary, there are also generals who proved their courage and bravery in growing age. Therefore, it is hard to determine the age of a general at which he can prove devastating for a foe. Generally, an old mature general with mind open to new ideas and capable to withstand against unexpected calamities can prove more useful than young ones. However, the young general can defeat an experienced old one. Therefore, it is good move to lower the age limit of generals recently.
