Q2

"A general should have physical and moral courage"

Physical, moral and calm courage is very important in a general as he has to. Voltair says in Marlborough that calm courage is one of the greatest blessing of nature. A military writer praises Soffre for his calmness during hard day. It is not easy to find out which age would be suitable for an influential general. Hannibal, Alexander, Napoleon, Wellington, Wolfe praise young men for war but many others earned their name at older age.

For example ⁶ Julius Caesar and Cromwell, Marlborough, Turenne, Moltke, Roberts, Foch did their best at the age of 40, 61, 63, 66, 67 and 67. Wolfe, Moore, Craufurd were commissioned at

the age of 15. So, it is not possible to predict as old men have great judgemental and experimental approaches while young one can have innovative thoughts. But
