Q#6

~~Repeat~~ Inclined speech:

4/10

Helen inquired about John's absence, asking Mr. West about the reason. Mr. West explained that John had left the company because he requested a raise, which Mr. West denied due to John's perceived laziness. Helen questioned if John had found another job, to which Mr. West confirmed that he was now working at a film company, ~~through~~ ^{though} she wasn't sure about John's feelings towards the new position. Helen then inquired about John's salary, and Mr. West expressed his belief that John was earning a substantial amount. The conversation concluded with Mr. West stating that he didn't know whether John liked his new job or not.

Q7: Translate the paragraph into English. 4/10

In the course of its three hundred thousand years of history, humanity has achieved two milestones that distinguish it from other ^{creatures} animals. Firstly, the creation of language, and secondly, the ^{more} ^{choice} ^{of} ^{word} mastery of ~~the~~ law. Law in human society, serves to maintain order, making individuals accountable for their actions. Even as you sit at home sipping tea, you are inevitably affected by some law, as you adhere to regulations in using the stove to prepare your tea, complying with government guidelines. As we step out of our homes, we unknowingly become part of a cascade of laws coming into effect, and in reality, we perceive ourselves as secure under the shadow of these laws, but we may not fully realize how to acknowledge them.
