

## Part - II

## Question-2

Title:- Causes, effects and solution of professional begging

In India, the number of beggars are continuously increasing. Among numerous causes, religion is one of the most important causes of begging.

On the direction of religious pious, people give charity to beggars to get reward in hereafter. Many beggars are abled-persons but they wear rags and coloured clothes to make themselves for charity. Poor masses fear from the curse of beggars and give them more than need.

Interesting, most of the beggars are richer than their patrons.

Modern and educated Indians are worried from and thinking to get rid from this mendace. As in

(2)

### Question-7

In a student's life, the books and the teachers are like a moon which light up the dark ways of his life. For this obligation isolation and consistency is necessary. Every negativity has to put apart from teaching. otherwise the fear is that the upbringing of student might not be completed. He might get involve in politics and waste his precious time. Our country needs scholars rather political workers; ~~not~~ the scholars who know the western and the Eastern way lives so that they could create a vital society. Educational activities should

Date: \_\_\_\_\_

Day:  M  T  W  T  F  S  S

be a political. It is said that our education standard is lower than that of the west. To some extent, it is because of our economy. Also, there is no denying the fact that our teachers are not trained to create interest of knowledge in the hearts of students. However, more responsibilities lies on students themselves.
