Question-No- 2

Mon Tue Wed Thu Fri Sat Sun

Precis

Begging is a Trend of Today in India

Begging has become a profession in India.

The Beggars have increased especially in holly cities. It looks like City of beggars.

It shows a negative image of India to the foreigners. It is very strange

that some beggars are professional and

rich. They have special suits and boots while

begging. The number of beggars has

increased rapidly. It has many causes,

Such as poverty, unemployment and major

of them is Societal mind setup. Indian's

are very religious. They have belief

that giving charity to beggars ensures

moksha in next world. Modern educated

Indians took the issue seriously. They

want to change the societal mind

set up by education of social sciences.

They also demand from government to

implement strict law regarding begging.

Hence, begging has become the most wide

spread things of today.
