Answer # 02

Precis

Title : Begging in India : Causes and Solutions

Begging has become an occupation in India. It has grown so big that some cities of India are called as cities of beggars. There is absence of statistics. However, one can know from the fact that it is so much that it is evident to foreigners. There are many causes of ~~begging~~ increase of beggars in the country. One of many causes of is the injunctions of holy books which says that giving charity ensures the forgiveness in hereafter. This injunction among people has caused the surge in begging. Moreover, begging is also hereditary in India where able-bodied people dress up as beggars and perform their duty. Moreover, the belief of people in villages that the curse of beggars will destroy their life is another cause of begging in the country. The beggars in many conditions are richer than their victims.

However, modern people are seriously thinking to resolve the issue of begging. Undoubtedly, poverty is also one of the causes of begging in India. However, it has to be rooted out. People must be made aware of this problem.

The way to root-out the begging is to educate people and form law to root out begging.

It is important to impose strict laws, specifically in sacred cities where the situation is grim. In one form or another, begging has become a big issue. There are many beggars who are even in their modern attires. They exploit their victims in various ways.

Question # 07

Answer # 07

Translation

A student's goal of life is to be attached with library and teacher that can enlighten his dark ways of life. In this goal, consistency and commitment is needed.

He has to keep separate every external force which is opposite to his goal. Otherwise, the danger will be that his development will be abandoned and time he should have given to education will be granted to political activities. Our needs scholars and students, more than politicians, who can be consistent with Western education, eastern education, religious education and world's education.

It is evident that these people can be produced when political activities are not mixed with educational activities.

It is said that ~~our~~ ~~education~~ standard of our education is less than ~~that~~ that of Western countries. To some extent, it is result of our collective situation. And perhaps, to say only this, it is not true that our teachers failed enlighten the fire in student's hearts. But large

part of responsibility lies on students.

Question # 03

Answer # 03
