It is obligation of student life to earn from right way. Which convert their life from darkness to bright side. To ~~complete~~ ^{complete focus} this obligation consistency and ~~are~~ ^{are} required and to complete in this obligation.

Every external effect should be separated which is against it.

Otherwise, it will be threat that development of student character remain incomplete and the time which he would spend to earn good things is waste in political activities.

Our country need more ulama rather than political leaders which who have complete knowledge of east and west and religious education. Such a universal

personality are born if in education activities do not interfere in political elements. It is say that as compare to western countries

which is result of economic situation.
And may be it is not wrong to
say that our teacher ~~did~~ is
not inculcating love in heart of
students. But these obligations are
mostly applied on the student himself.
