Q1 :- Precise

Title :- Beggars, and concept of poonya.

Begging is increased in India. Indians used to support begging as it is their concept, that donating to beggars can bless them in the world after death. Many healthy persons with no reason goes door to door for begging. People had a concept that if the beggars cursed them it can lead them to bigger problems in their lives. That way the beggars got

got enough than their need.  
Begging is banned in many  
other countries. That's why  
people earn by doing hard work.  
One can say that the begging  
has become a profession in  
India due to which the  
beggars go and ask for  
money. They know the tricks  
how to play with the  
mind of people and how  
to earn from them in the  
name of beggary. People needs  
to be educated enough to  
understand that promoting  
beggars do not lead them  
to blessings.
