## Cause and Way Forward of Begging Profession in India

In India, begging has become a deep rooted evil. Their number of beggars has been increasing. ~~It~~ ~~is~~ leaving a serious effect on society. Steps should be taken to tackle out this

<sup>major</sup> issue. Reasons behind the increase in their number ~~are~~ is they earn more than they need. It is just because of the Indian faith of going to heaven by charity. So, the people become generous and hospitable for beggars. It has been seen for years that the able-bodied beggars, go door to door for begging without any serious purpose. It is astonishing that despite being educated, people give money to them. As they are afraid of the curse of beggars. Surprisingly, the beggars are richer than a working people. Some effective and efficient steps should be taken against them. Likewise, the other countries have banned begging and declared begging in their countries. Such kind of mitigation steps should

be taken to come out of this issue. Poverty, unemployment and population are the known factors of causing begging. In spite of them there are people who have disease of begging. To come out of this deep rooted problem; first the masses should be aware that charity is not way to earn money. Secondly, the state should take strict legal actions against them, specially in holy ~~places~~ cities. Consequently, the society will develop.

In a nutshell, beggary has become a serious issue as the modernized beggars having luxurious lifestyle are exploiting their patron victims.

3/ The author says, "We have more and more ways to communicate, but less and less to say". He means that many ways of communicate <sup>have</sup> made them unable to say anything as they are busy in meeting many deadlines but they don't get time to say something to each other.

4/

People are taking an active interest in old-age fads like yoga, meditation or tai chi. As they are in search of emotional and moral clarity which can ~~be~~ be found in the ~~online~~ <sup>onscreen</sup> ~~lives~~ <sup>life</sup> of lives but they have become so much busy ~~is~~ with devices that they can't celebrate their onscreen lives. That's why they take interest in old age fads.

57

Modern man is unable to empathise with others as the empathy depends on neural processes that are inherently slow. On the other hand, the high-speed lives have little time to think. This unattentiveness and slower memory is just because of the use of devices.

61

The people lost the ability to think, and to use data. The information revolution came without an instruction manual. All the data in the world cannot teach how to sift through data, as images do not show how to process images.

~~Taking~~ Getting away from the devices in order to

make time will become scarce.

As it they increase in gaining knowledge but consume more and more time and the people became that much dependant on the devices that in future they will not get them out of these devices to save time.

Q7 //

The responsibility of a student is to make efficient use of books and the teacher. As

In order to enlighten their lives the student's duty is to be benefited by books and teachers. To fulfill this duty consistency and discipline play key role. Every external affairs which are opment to their duties must be kept ~~separat~~ out of the circle of studies. Otherwise, the training of student won't be accomplished.

As the time which they had to serve for gaining knowledge will be ~~saved~~<sup>wasted</sup> in the political activities. Our country needs scholar more than politicians, who ~~can~~<sup>simultaneously</sup> become the sink of eastern knowledge, western knowledge, islamic knowledge and worldly knowledge. This can be possible to produce such kind of people if there is no interference of political affairs in the educational affairs. It is to be said that our education standard is backward than western countries. Somehow it is the result of our economic condition but it is won't be wrong that our teacher failed to create interest of gaining knowledge in the heart of students. However students are more responsible for this condition.
