kept away from field of education. otherwise, it will pose threat to the preparation of students which can be utilized in studies. In our country, there is need of ~~ulms~~ and teachers instead of political workers. which have <sup>comprehensive</sup> knowledge of East, West, religious and worldly. owing to it, knowledgeable person can be produced. There should not be effect of politics in religion matters. It says that our education system is weak as compare to western country education system. In some extent, it is result of our economic condition.

It would not be wrong to say that our teachers are unable to create interest of education among students. But major part of responsibility should be taken by student.

Title:

Issue of Begging  
in India

Begging has been increased in India. There are no complete statistics about beggars in India. Increasing begging in India can be determined by visitors. Many religious men say that giving charity is key to heaven. Beggars use different clothes for begging. They are rich from other people. Writer says that poverty and increasing population are cause of begging. Writer says that there is only way to educated masses that giving charity non needy person is not key to heaven. It further increases oldness and chronic poverty. Educated masses can prevent begging in society. State should formulate
