

Paper

English composition and
Comprehension.

Q: Make a précis of the following passage and suggest a suitable title.

Ans:

Causes and Solution of Beggary in India

Begging has become a widespread profession in India, being a serious threat to country's reputation. Although, poverty, unemployment and ~~po~~ increase in population are the ^{major} contributing ^{causes} factors of begging but the root cause lies in the social consciousness of the masses (people) developed from the faith (religion). As Indians are generous, hospitable and above all religious in their approach to life. The fear of beggar's curse and the belief that

These donations to beggars will help Indians go to heavens by curing the root cause of begging. Along with it beggary has been found as hereditary disease of people because the these beggars are richer than their patrons. Thus to curb this social issue, the education of masses in social sciences coupled with state to device strict laws of checks will contribute to eradicating the curse of beggary. Finally the sense of developing a social consciousness and practical approach to life will root out the evil of beggary.

Q3 Translation.

Ans: Teachers are the sources of enlightenment of a student's whole life, that lightens up the dark pathways of a student. This sacred duty needs unity and consistency in keeping the external negative forces separate. Otherwise it will deviate the students from the learning and they will spend most of their time in political ardour. Our country needs such teachers more than politicians.
