Beginning: a social Conundrum

Question No: 1

Title - India Become Hub for Beggars

India has become a hub for beggars. Which are increasing day by day. Due to which the image of India in foreigners getting damage. They are a huge number. There must be some investigation into cause and condition of beggars. Indian people are religious. They can not refused to those who ask for begging. One of the main cause of their increasing rate is the points mentioned in Yanars and Shastras. They are using religious card for begging. They become professional in this. The scolded booted people also start this profession. They have made a lot of money. No doubt poverty and unemployment is also one of the main reasons of begging. In west begging is prohibited in many countries, only for those who are needy. The people must know the Purva is giving to able person. The scolded booted and healthy people do not deserved charity. There must be robust law and initiative to counter the situation.
