These donations to beggars will help Indians go to heavens but is the root cause of begging. Along with it beggary has been found as hereditary disease of people because the poor beggars are richer than their patrons. Thus to curb this social issue, the education of masses in social sciences coupled with state to device street laws or checks will contribute to eradicating the curse of beggary. Finally the sense of developing a social consciousness and practical approach to life will root out the evil of beggary.

Q3 Translation.

Ans: Teachers are the sources of enlightenment of a student's whole life, that lightens up the dark pathways of a student. This sacred duty needs unity and consistency in keeping the external negative forces separate. Otherwise it will deviate the students from the learning and they will spend most of their time in political ardour. Our country needs such teachers more than politicians.
