Begging in India: a social conundrum

The challenge of Begging: Causes and Solutions

The prevalence of begging in India, especially in cities like Varanasi, has led to perception among foreigners that these cities are centres of beggars and poverty. The increase in number of beggars has various causes but the most significant factor is the hospitable and generous nature of Indians, driven by belief that alms giving nature ensures salvation. Many beggars inherit

Write in short sentences

begging as profession which contradicts the notion that individuals should earn through work. It is quite absurd to see the able bodied beggars dressed in ragged clothes begging for no apparent reason. It is a in every village and town of country. The begging practice has endured

for ages, derived by ^{fear} curses from
among ignorant masses. Surprisingly,
many beggars end up ^{Accumulate}
a accumulating wealth. Nowadays
many educated Indians are
increasingly addressing the beggary
issue to solve this problem.

In contrast to west where
criminal begging is criminalized
Under Acts of parliament and
people are warned who do not
work, shall not eat. This
situation seems bleak in India.

While poverty, population
and unemployment ^{are} causes
of increase in begging. ~~But~~
~~the root of issue lies in~~
~~social consciousness, which~~
~~must be change by reformer.~~
~~Education people that giving~~
~~to able-bodied is counterproductive~~
~~and understanding the~~

social science principles, beggary
could be reduced. The government
should also implement laws to control
beggars' strength. Enforce strict anti-
vagrancy laws nationwide, with focus
on holy cities. The key solution is fostering
rational and balanced approach. Now
some beggars adopt modern appearance
to exploit the persons.

Ans:

Never leave question

c)

Ans

According to the author, we have more and more ways to communicate but ~~we are so busy in communicating~~ because we are so busy in communicating we are hurrying to meet numerous deadlines without realising that we actually require are means of support.

d)

Ans:

People are taking active interest in practices like yoga, meditation, and tai chi, after because they offer a way to connect with slower, more thoughtful pace of life. These practices promote attentiveness

memory, improved cognition
and emotional wellbeing.

e)

Ans: Modern man finds it
challenging to empathize with others
due to fast paced nature of contemporary
world. The author says that
empathy and deep thought depends
on neural processes that are
inherently slow. In our high speed
lives filled with constant digital
distractions and multitasking, there
is often little time for the
contemplation and deep thinking
that fosters empathy. ¹⁰

Question no 5
