and the second	As we see in this modern world, every	
f Stranger Anne Stranger	Sovereign country has proper legal	
	pramework and laws to follow	
elevant to the topic of m <u>entioned in the</u>		
tline	Order situation in country. This is	
	because they know only legal actions	
	can control the crime rates. For example	
	in Afghanistant there was no stable	
	Government and laws for decades. But now	
	they have a Government which has concluding sentence?	ph wit
	taken legal actions to control Crimes. According	
~	te Afghanistan crime rate & statistics for 2021-2022	
	a 39% decline in crimes from 2020.	
	This shows proper legal actions	
	just like other crimes can also control	
	the crimes and violence against	
	women and can act as a catalyst	
	to protect the women.	
	When a country	
	makes laws, then all its people	
	are bound to follow these laws	
	And everyone is equal in port	
	of legal actions. There fore making	
	women protection laws and ensuring	
	women protection	

Date: Day: that they are equally applicable on every citizen can pave the way women protection. For example por the former US President Donald Trump been accused of sexual misconduc Yes, but the does not prove that with this the number of against women will decreas So, unless aws become a c they will just be a reaction to has by some women. So he is paring a crime. several charges and trials. This shows legal actions are some for everyone and can protect nomen. Legal actions and can and strict punishments can protect women when people know that. they is violate the women protection laws they can pace legal actions elaborate the argument and strict punishments, this copyride stification help to reduce the domestic violence against women. Therefore legal actions can protect the women. Legal actions can also technology involve the use of to protect the women. At can provide different forums to file complaints against their exploitation

Date: of reguls. For example in Punjab; Pakistan under the law 'Protection of Women against violence, 2015 it was ensured ust the legal action bracelets to track thein enha ot that it has resulted to deploy GPS nced protection of perpetrators. So legal actions with the technology can protect women help of Another importance of legal is that they can boost actions to women confidence of the This is not a proper paragraph them No structure, No proper crimes against report the ntation and reasoning. justification Lack o the authorities to This help how, legal This take actions is the actions can effectively save women. Despite the fact that legal actions can contribute to protect the women but still they have not taken into account women are not socially." have and Shortcomings many desired the meet to failed So, legal actions are not results to protect women. Due to increasing Inflation and poverty world wide the crime rates are increasing

Day:	Date:	
	globally. According to world crime rate &	
	Statistics for 2020 was 5.61, a 0.74	1
l <u>rrele</u> vant	increase from 2019. This surge has	
	put a question mark over the	
	efficiency of legal actions to combat	
-	the crimes So, This Frend Shows that	
	legal actions are not a way forward	
	to control crimes against women	
	and to protect them.	
	No doulet, many soverei	m
	countries have laws, but in many	
· · ·	countries we see that influential	
	people and conservative societies do	
	not give much emportance to laws.	
d.	In those countries women protection	
	related laws cannot work. For example,	
	despite criticism Afghanistan Governmen	
That is a legal action not a social action going against a law	has banned women eduction and	
	Stopped them to work with any	100
	NGO. 50 This is because they do not	
	consider international women protection	
	laws important to follow. So laws and	
	legal actions cannot ensure the.	
	women protection.	

Date: indent at the beginning of the parage Day: norms can also affect legal Societal and detertorate Their essence actions societies, the people consider 9n many their own and as women talk about do not to let anybody According to their women. notection Norms Ander Social UN 2023 Gender, is acceptatel believe that it 25 people beat his Wife. to such man a dence and argumentation the implementation hinders norms the actual argument. That 0 only mentioned in a single ntence say that when they lea actions their internal Ů women protection matter. So legal actions cannot obmestic women. protect Many countries world countries hud. have advanced technology do not mvolue (annot nerefore Tec legal actions m women tor To man nes then lose actions protection evidence? Logical reasoning? Therefor technology without essence world i.e major portion of m not actions are eal 2001

Date:. Day: efficient to protect women. Another reason for the efficiency is that women DOOL violence report the do no authorities to legal them excial, altural or religious du Why do they not report it? survey conducted what is stopping them According to a ng the laws made for their protection. only Unless you discuss the logic behing the statistic that statistic will remain Statistice. an Bureau of in Pakistan reported that 32 irrelevant women ience physical violence 50 violence hinders legal action unreported to protect women. There is no doulet that actions face legal man but protect difficulties women. W failed we have proted now Women NO only way the women. forward w protect despite actions trials 011 to have the Control crimes against Implementation women. The Strict laws women protection

Day:-Date:\_ can strengthen the legal actions to protect the women. Countries of the people who do not give importance to women protection and isolated by international community. For example, as the Taliban regime In Afghanistan the hampering women in all aspects so international Community has isolated Apphanistan They are not even recognizing their regime and not giving them aids. Therefore it is not possible to survive in globalized world with isolation and will align themselves with global legal actions to protect women Strong legal actions have ability to overcome the societal norms. The legal teams and legislators can ispread the importance of legal actions in those societies to protect the nomen. Street implementation and punishments Can even force people to follow

example? Date:\_ Day: the laws because everyone is in port of law. Therefore equal legal actions can protect women despite social norms The world has seen an increasing trend of case reporting by women against vidence they pace. This is because of education and anareness. According to Domestic Contradicts the stand taken. Health Survey, 46% women with education seek help to end violence Legal actions give them confidence to report and to provide them gustice. Therefore legal actions an protect women An summation as socially it is not possible to protect women So legal actions are the only way forward. Only wise and strict legal actions can ensure the women protection. Legal actions can provide Not a proper and sufficient conclusion protection to women physically -financially and psychologicall
