because of societal pressure

e- weak position of women
never provoke her to go ~~×~~ against
the social norms.

6- Conclusion

The outline does not look at the both aspects together.

sentence structure

child grown up through learning by its environment. He donot know about anything while his mother family give him a direction to follow. The first

inconsistent pronoun usage

The analogy of child and mother does not relate to the context of the essay

child found is a mother.

sentence structure

Similarly, a women raises by her social norms stands accordingly. A women's first interaction is always her family and the society.

No cohesion or connectivity b/w the sentences

Women is the beautiful creation of the God, her very position is compromised by a male dominated society. However, the legal system enables them to avail opportunities and make a difference in a society.

expression

But the society remains a great obstacle to pursue her optimistic goals. A women need to be protected socially first, as the confidence which she receives by the family become her strength. The biasness of patriarchal society undermines her position to

Both very different implications of lack of societal protection

event in a life. The social
events like sexual assault and
force marriages destroyed her
self honour. Although, some
argue that legal settlements
and laws for the rights of
women make them more vocal.
Legal action against harassments
discourage the perpetrators
to assault on women. The
availability of equal
opportunities by the system
lowers the gender gap.
Legal framework for the
women rights protection erubs
all the gender stereotypes.
Where the proponents of
women social protection
raises their concern about
the implementation of the
law. As women get
touched emotionally or
physically but still stand
quiet, even ready for
force marriage or any other
type of discrimination.
Sometimes, for the family
norms or under the
social pressure.

sentence structure

women is a [?] beauty
of a nature. Women plays
integral role in the socio-
economic development of
the country. Most of the
time, she never get the
appreciation which she
actually deserved. Madeleine
Albright the former United
States Secretary of State
once said that "The reason
I made women's issues central
to American foreign policy,
was not because I was a
feminist, but because we
know that societies are
more stable if women
are politically and
economically empowered."
So they often work behind
the curtain or on the
main stream. In some
societies, they got victimize
by their male patriarchal
systems, where they needs a
protection both socially
and legally.

sentence structure

irrelevant to current context

incoherent sentence

sentence structure

Women need to protect socially that make her more confident and feel better. The confidence by the family give her strong emotional support and helps in pursuing dreams. The effort of achieving something is not all come alone rather the success is accompanied by the family support. ~~the~~ Kamala Harris who is the vice President of the United States once talk ed about her family support to her is the prime example of it. In Pakistan, recently, Sarah Gusehri who become emerged as inventor of world's first Green Aircraft made her dream come true with the help of her father. This is how the family makes a women strong.

topic states the condition that in this discussion, social protection is unavailable

sentence structure

yet the patriarchal society often subordinates the

women position. Cultural norms most of the time favoured boys. The boys enjoys this freedom more than girls. A recent world bank report on the "Reasons of girl education discrimination in Pakistan" 2023, reveals that the cultural norms favouring boy's education over girls. and also. Summing up, the patriarchal society influences the women status.

does not relate to how this patriarchal system relates to ineffective law performance

In the same way, more leverages to men evoke biasness against the women. The male dominated society tried to keep their influence in every sphere of life over the women. Male don't compromise their position to work under the women. In 2018, it was reported the Amazon developed recruitment tool for job application was found

Irrelevant

biased against women (Amazon scrapped sexat, AI tool, BBC, 2018)
So, the women is always
got victimize by their
male counter parts.

Along with that sexual
harassment destroy a
women personality. sexual
harassment often leads to
violence against a women.

There was a gruesome incident,
in Pakistan where a 20-year
old woman burnt alive in
the name of "honour" in
Jhang, Punjab (Shazia Nizami,
Unsafe Spaces, July 2023).
Many women attempt suicide
for that matters. sexual
harassment stand the
women no where.

expression

Adds to it, force^d marriages is
a major concern of
women, mostly happens in
minorities. In Pakistan, force
marriage is very common.
women from religious minority

incoherent
the argument and the
evidence do not match

communities remain partico-
larly vulnerable to
forced marriage & very
little has been done to
stop it (Shazia Rizmani,
unsafe spaces, July 2023).
