

# Precis and Composition

Q #2

## Precis

Begging is more prevalent in Indian towns and villages. Especially holy cities are notorious due to begging in the eyes of foreigners. The exact number of beggars are not known. But the author is keen about their way of begging and its impact on society. There are many causes of increased begging. Firstly Indian have religious inclination, hospitality, and generosity. They have firm faith that charity giving will ensure their forgiveness in hereafter. Consequently, beggars exploit those having desire to achieve paradise. Secondly, many beggars acquire this profession from their ancestors. That is why many people are also observed in this profession. Thirdly, illiterate masses are afraid of beggars curse. Resultantly, beggars get more than their expectation and richer than

Do not just rephrase make preci plz

the people they exploit. With rise of social consciousness, people are more concerned about ways of begging eradication. Poverty, unemployment and population growth are causes of begging. But the most significant cause occupied in the social consciousness of society. Therefore, governments should be advised to forbid charity to healthy beggars/individuals. Society should aware about the negative consequences of begging. State should formulate strict laws to keep check on begging. These laws should efficiently enforced especially in busy cities to nip this evil <sup>out</sup> from its bud.

Title: Religion, Belief and Social Consciousness: Cause of Begging
