~~Increasing Ratio of Begging in India~~

The ~~beggars have~~ increased in India ~~and they~~ realized that it is their profession. Majorly, holy cities are filled with beggars as Indians are religious, they believe encourage them to do charity among beggars and they will get goodness in next life. Many people fear from the curse of beggars. It is also noticed that many beggars are rich in well-dressed look and they get more charity than their need. However, begging is crime in several Western countries. Every able person must earn for the fundamental needs. In India, Poverty, Population and unemployment are the major reasons behind the increasing of beggars, but begging is the serious issue it requires serious concerns to reduce the number of beggars. State should must aware the people that it is a crime to provide charity the able person. State needs to clarify the nations specially in holy cities that unnecessary charity is harmful for the country. As begging is spreading today, mostly modern beggars have exploited the society due to misusing nature of begging. (175)
