(Q- No 3)

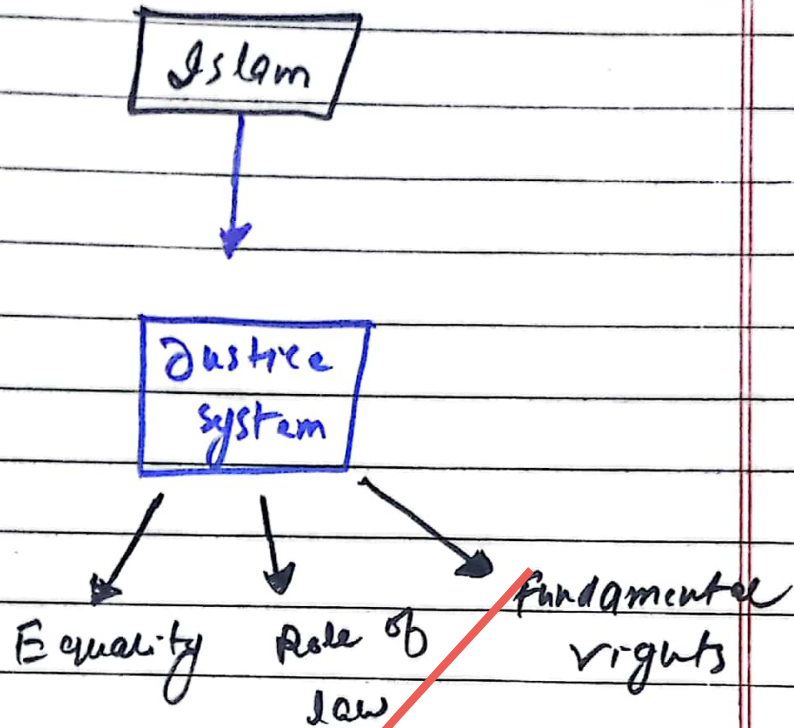

Q Introduction:

"DO JUSTICE when
you deal with
others in socio-
economic and political
field"

(Hadith)

Justice system is
a system which create equality
in all fields of life. It
reduces the discrimination among
people. It is important for
creating stable society. It ensures
fundamental rights of people.
In Islam, justice system
has great importance. Islam
emphasizes that follow the
justice. It educate believers

that do not harm the
justice system of the society.

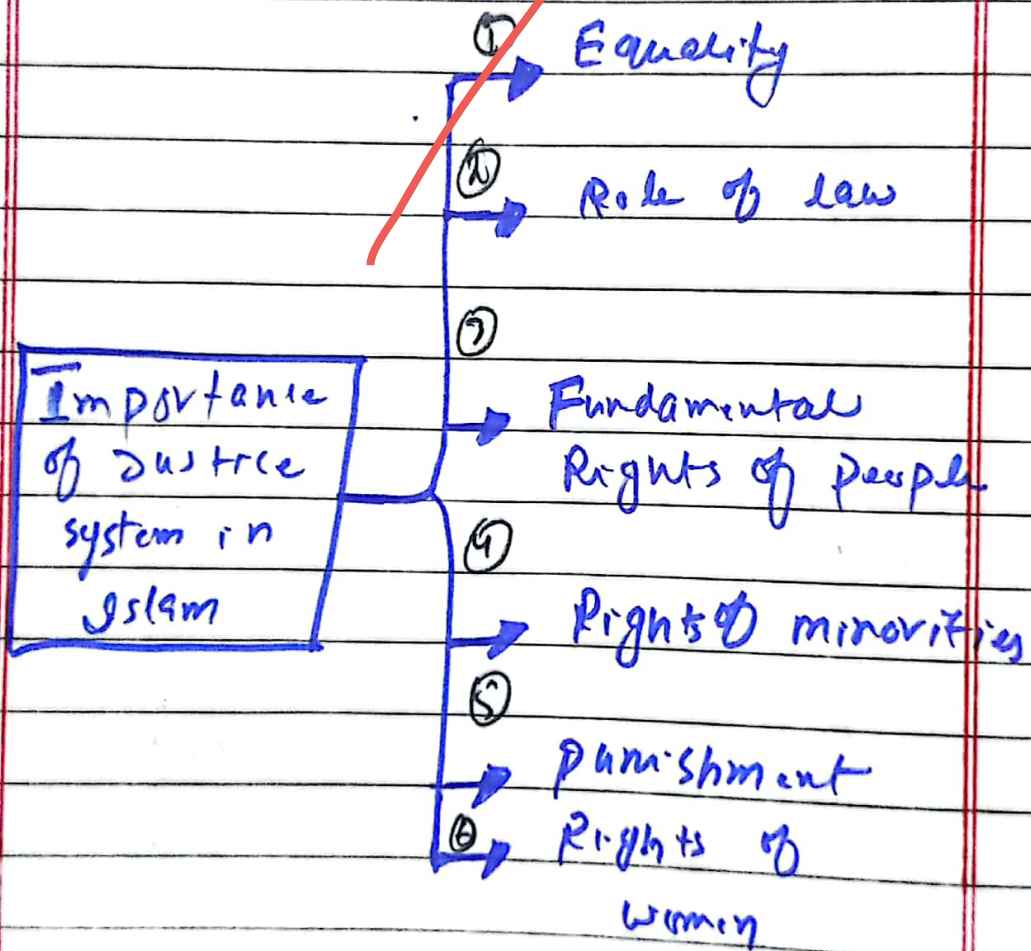

⑤ what is meaning of justice system

According to Qutub
Ahmed, justice system
means to bring equality
in the society socially
economically and politically.

① What are the importance of justice system in Islam?

That are discussed below.

① Islam educates about equality due to importance of justice system
Islam educates

people that bring equality in the society. Islam dislikes the socio-economic and political discrimination

There is difference between black and white. All people are equal

~~Hedite~~

~~(2) Islam emphasizes on role of law due to robust justice system~~

Islam strengthens the role of laws in the society. It holds accountable everyone on the basis of equality. Rich and poor are all equal in Islamic justice system.

(3) Fundamental rights of people in Islam

Islamic Justice System provides all fundamental rights to people. People can take part in socio-economic and political fields.

لا اكراه في الدين

“لا اكراه في الدين”

“There is no compulsion in the religion”

(Surah Baqrah)

(V-256)

④ Rights of minorities in Islamic Justice system

Islam give all rights to minorities. Indeed, minorities are allowed in Muslim Society to follow their religious duties.

“Fear from your God
Who created you
from single pair of

parents"

(Surah Baqrah)

⑤ Islamic Justice System give
punishment to those who
commit crimes

Islam gives punishment to culprit. Islam does not forgive those who involve in crimes activities.

"prophet (PBUH) said that if daughter committed crime, I would punish her,"

⑥ Islamic Justice System
ensure women rights

In Islam, women are free to take part in every field of life. It gives all rights to women.

Date _____

You are all
 progeny of
 Adam and Adam
 was created by
 best mould

(Sarakh-Tair)

Conclusion

Thus, it is proved
 that justice system has
 great importance in Islam.
 Islam gives all fundamental
 rights to people. Islamic justice
 system bring equality in the
 society. It dislikes discrimination
 among people.

(Q-NO-6)

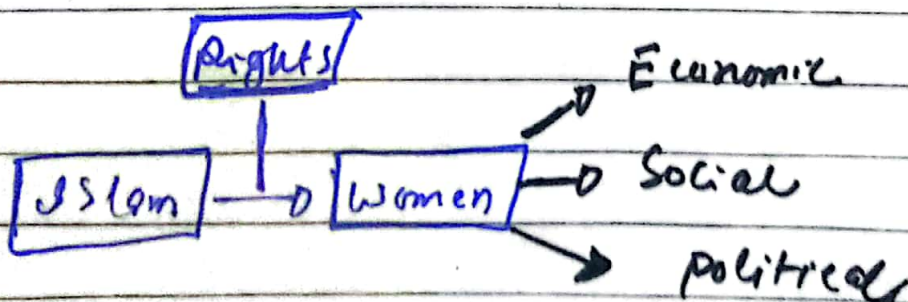

① Introduction:

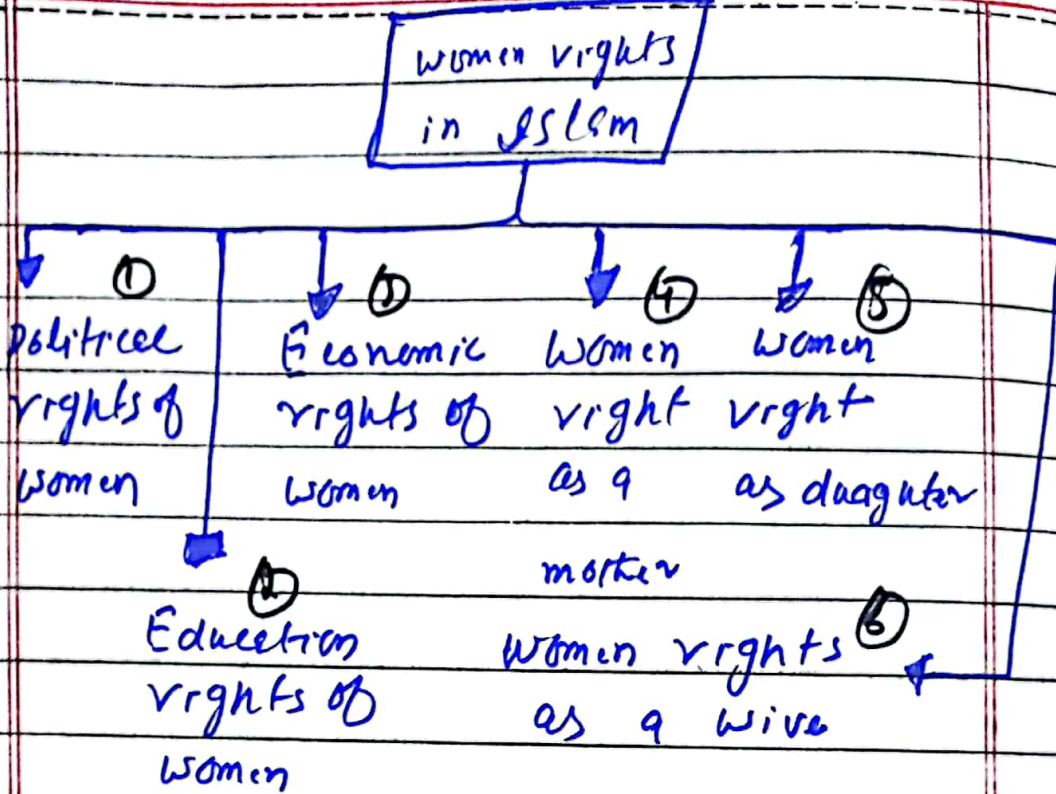

"Fear from you"

God who created
you from single
pair of parents",

(Surah - Baqrah)

Islam has given
all rights to women. Islam
allows women to take part
in all fields of life. Indeed,
before Islam, women did not
have rights. Girls were buried
alive. Women were slave of
men. After Islam, women are
free to enjoy their fruits
of life. Islam gives rights to
mother and daughter. It gives
rights to wives.

① political rights of women in Islam

Islam give political rights to women. It allows women to take part in political field. In prophet (PBUH) time, women were used to take part in political

What political rights?

Dr Tahirul Qadri writes in his book "human rights

- "Islam" Hadrat Usman appointed Umme Kulsum as an ambassador of "Iraq"

② Education rights of women in Islam

~~Islam gives educational rights to women. They can get education in muslim society.~~

/ Education is necessary /
for everyone /

(Hadith)

③ Economic rights of women in Islam

Women have allowed in Islam to take part in economic field of life. They can

Enlist these rights? Business, job, share in inheritance

Day

open their business in their countries. They can do trades

Dr Hamid says in his book "Introduction to Islam" women used to trade in prophet (PBUH) time. Amina Khadija used to trade.

④ Women rights as a mother in Islam

Mother has great important in Islam. Islam give all rights to mother.

Prophet (PBUH) said that Zanat is located in the feet of mother.

⑤ Women rights as daughter in Islam

Islam emphasizes on

Date _____

Day **M T W T F S**

the rights of daughter. It gives all rights to daughter.

prophet (PBUH) said that those who nourish their daughter equally as compare to son. They would be with me like two finger

⑥ Women rights as a wife in Islam

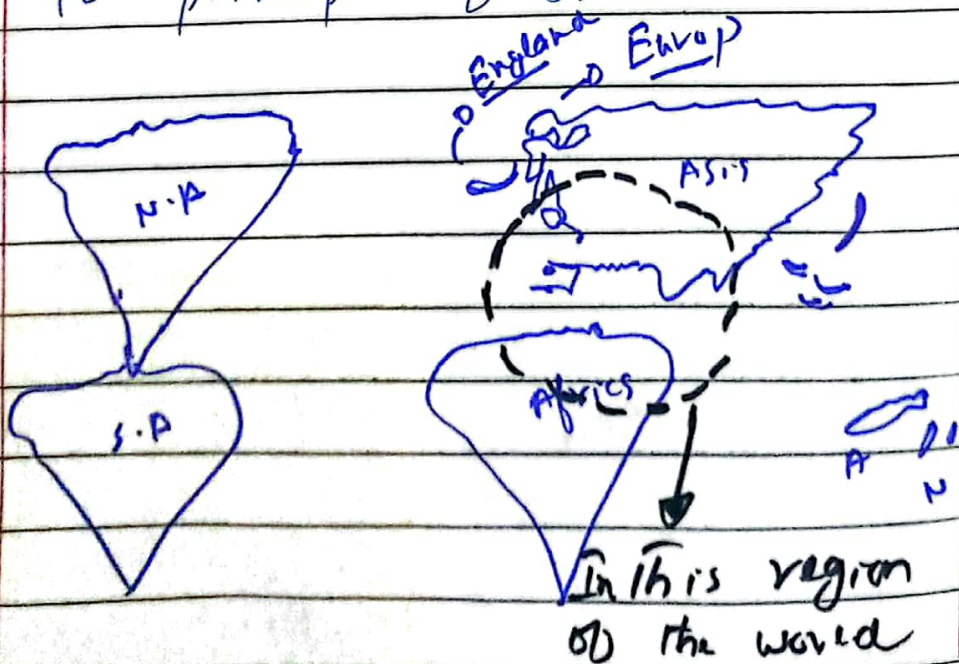

Islam give all rights to wives. Men are bounded to give all rights to their women.

Men are protector and maintainer of their women

(Surah Nisa)

critical analysis

It is true that women have all rights in Islam. Unfortunately, in many muslim ~~country~~ countries women are being treated badly. They have no rights to raise their voices for their fundamental rights of life like, in middle east and Asia women are women have been suppressed by men. It is alarming for muslim society. They should give all rights to women according to principles of Islam.

women are being treated badly

Conclusion

Thus, it is proved that women have given all rights in Islam. They have socio-economic and political rights. They can easily participate in all fields of life. Islam allows women to do business in the society. They can participate in political fields.

(Q-NO-4)

(A) Introduction:

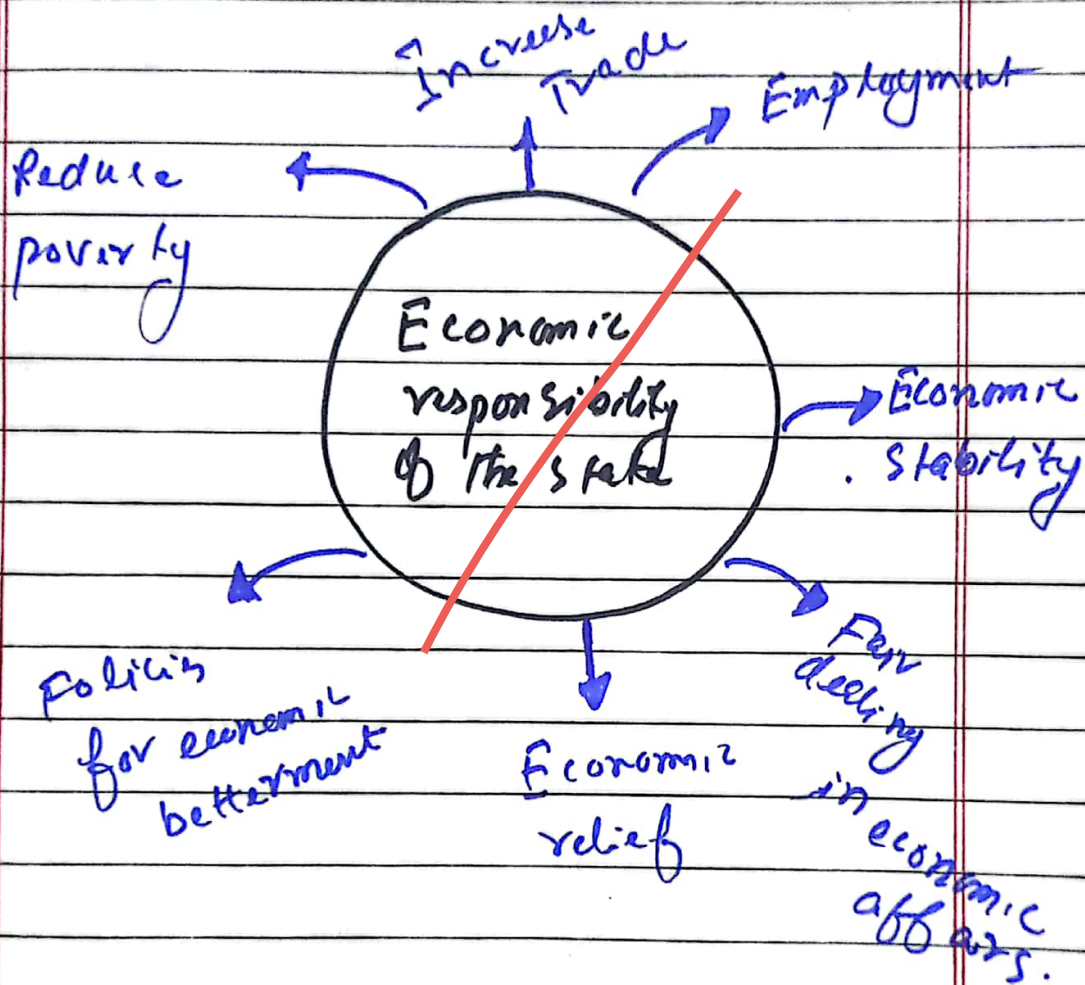

Mohammad Asad said in his book "Islam at cross the road" Islamic economic system based on equality and justice. Islamic state has responsibility to bring justice and equality in

its economic affairs. Islam encourage states that does increase tax on poor people.

It educate the state to reduce poverty. Instead of it, there are many principles of Islamic economic system which can help reduce economic issue in the contemporary world.

Q) What are economic responsibility of state in Islam

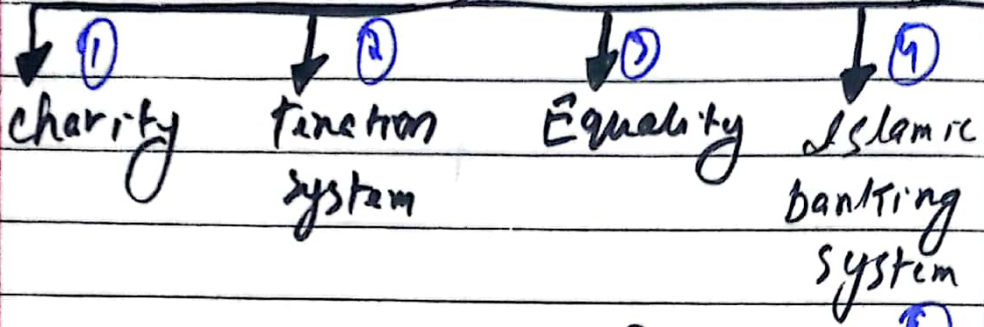

It is responsibility of state to reduce economic challenges. It is responsibility of state to provide relief to poor people. Similarly it is economic responsibility of the state to formulate economic policies for the reduction of economic crisis. Likewise it is responsibility of state to enhance job opportunities for its people.

(c) What are the economic principle of system which can help reduce economic challenges of the world

that are discussed below.

Economic principle of Islam

Decrease poverty & Farnus in economic dealing
 Zero tolerance against corruption

1) charity is an Islamic principle: it can reduce economic crisis in the world

In Islam, charity has great importance. Islam emphasizes on people to give charity. ultimately, it bring stability in the state.

② Islamic taxation system should be introduced in those states which are facing economic crisis

Islam restricts the people that do not impose high taxes on poor people. It encourages people to impose high taxes on rich people to the society.

Shah Waliullah said that low taxation for poor people can bring economic stability in the society.

③ Equality and Justice is main component of Islamic economic system

Islam educates man to bring equality in

economic affairs of the society. Economic principle should be equal for everyone. It can help the world reduce economic crisis.

④ Islamic banking system can eradicate economic challenges of the world

In Islam banking system, usury is prohibited. It ^{can} make strong economic system of the world.

Mufti Muniburrahman said that Islamic system can eradicate the economic woes of the world.

⑤ Islamic economic system emphasizes to reduce poverty

Islam emphasizes

that reduce poverty. Islam has Zakat system, which helps reduce poverty in muslim world.

⑥ Islam encourage fair dealing in economic affairs

Economic affairs should be fair. Islam rejects all those agreements which are not based on fair economic dealing. Fairness in economic affairs can reduce economic challenges of the world.

Islam likes fairness in economic dealing

(Imam shafi)

⑦ Islam shows zero tolerance against corruption

Date _____

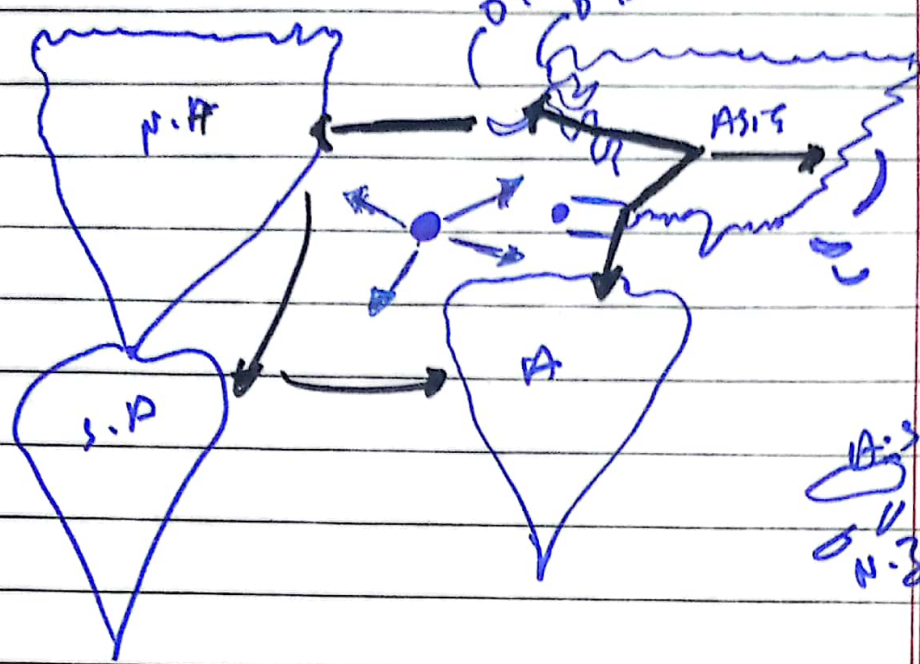

Day **M T W T F S**

Islam does not allow corruption in Islamic society. Islam educates muslim fight against corruption. Indeed, it destroys the economic sector of the country. By adopting Islamic principles, world can reduce the economic crisis.

~~Khushid Ahmed said that Islam does not allow corruption in the society~~

critical analysis

currently, world is facing acute economic crisis. many country's economies on the verge of decline. Therefore, they should adopt different strategies to counter increasing economic crisis. Islamic system is best for reduction of economic crisis if the world follows the

⇒ arrows are showing ~~that~~ economic crisis in the world

⇒ Blue dot and arrows are showing Islamic economic system can eradicate economic challenges in the world

conclusion

Thus, it can be said that world is facing chronic economic crisis.. many
