Begging in India : a social Conundrum

Precis:

Title: Beggars Profession in India:

~~India City of its Beggars.~~

~~Beggars its Profession.~~

In India beggars have increased

day by day, Foreigners visiting India, called India city of

beggars. India have been very religious on life hospitable

towards those who go them for begging. Such an article of faith has been increase number of beggars. people worried

to go to heaven by offering doles help needy person.

mostly beggars profession natural well dressed eat a good food

clothes carrying about the streets and going from

house to house regularly. This might be seen at almost any village and down in our country. In modern India this is a serious thought, in west

begging is a crime under the Vagrancy act of Parliament. Unemployment poverty no doubt causes of begging but disease of begging has deeper roots in the

consciousness of us. The state too

make laws for checking growth of beggars and to apply these law every village in city in India. Introduce the holy cities where the beggars leading most unholy. beggars is a widespread virus in

today. Some are honourable middle-aged well dressed, boots and ties exploiting their patron victims.
