Mock:- English Precise and Composition

Qs2: Make the precise of following passage and suggest a suitable title.

Begging: a social conundrum

Title:-

Precis

~~Reduce begging as profession.~~
Professional beggars are increasing in India. The outsiders called Varanasi as city of beggars and polluted area. They are uncountable but we should not know how the beggars are growing. Our main concern is how they disturb the normal lifestyle. One of main reason is Indian has large number of people and they think they get their reward after life. Different beggars get their earning by knocking door and begging. People help them to save people from evils. Beggars become richer than local. We should reduce begging while in west according to Vagrancy act of parliament "Crime considered as crime. Many social problems are arising due to begging. State should take strict action and control beggars by law. Begging also harm society."

It is too short

Plz attempt at least one third of original passage

Qs3: Read the following passage and answer the question at end.

(1) According to the author, what is likely to become a scarcity in the future?

In future we will become more close to the technology we have accessed on every thing but this is scarcity of time. Man has no time to manage for himself.

Scarcity of Freedom

(3) What does the author say, "We have more and more ways to communicate, but less and less to say"?

The author say that, Although the world become global village. People can connect with each other from boom for distance but they have no time to know each other and communicate with other peoples. A poet say "We have no time to stand and stare"

Work on your basic grammar!

Q57:

Translate the passage from urdu to english.

~~It is obligation of student life to even from right way. Which convert their life from darkness to bright side. To complete this obligation consistency and ^{complete focus} are required and to complete in this obligation.~~

Every external effect should be separated which is against it.

Otherwise, it will be threat that development of student character remain incomplete and ³ the time which

he would spend to earn good things is waste in political activities. Our ~~country~~ need more

ulama rather than political leaders which ~~who~~ have complete knowledge of east and west and religious education. Such a universal

personality are born if in education activities do not interfere in political elements. It is say that as compare to western countries

which is result of economic situation.

And may be it is not wrong to
say that our teacher ~~did~~ is
not inculcating love in heart of
students. But these obligations are
mostly applied on the student himself.
