Q.2 Precis:

Misinformation: A Threat to Democratic Integrity

This year, in series of election, misinformation and disinformation looms have created threat to the democratic integrity by undermining the trust in electoral process. There is an issue of evil effect on voters & by false propaganda including conventional and AI-generated deep-fakes. The risk of anti-democratic agents attack, as of Spain, was there. There are several ways to prevent the public but their deployment require to resolve three main issues: Seriousness of the problem, acceptance of information classification and assurance of upholding democratic principles.
