ESSAY.

In World War II, Hitler used to have a propaganda master named, "Dr Gobbles" he said, "Dr Gobbles was famous for spreading false news. He said, "I played with press and I played a piano, if big lies are often told to people - they start believing in it - them." Since the dawn of mankind, humans have been spreading fake news and people's affection towards it keeps on growing and growing. Today nowadays in Pakistan the more spicy and fake news ^{one} ~~you~~ gives the more attention he gets and the more attention one gets the more money he makes. Spreading false news has become a business across the globe. The world has changed because of mass media, like wildfire mass media spreads. Therefore in this essay would discuss the immorality spread by social media, Movies, Cartoons Newspaper, songs, stage shows. It is because of this immorality that the culture, tradition of Pakistan ~~could~~ norms, perspective have
