

Protecting Democracy from Threat of Misinformation

QND802

Precis of the following passage

Majestic four billion people will vote in major election this year, but democratic integrity is threatened by misinformation and disinformation. Effectiveness of democracy relies on evidence-based decisions and informed citizen. Misinformation can boost polarization and undermine trust in electoral processes. Mechanisms to protect the public exist but their deployment requires resolving three issues, recognizing the problem's ownership, accepting classification of false information, and ensuring interventions uphold democratic principles.

QNO803

Read the following passage
