

Mock.

Precis and composition.

Q.3

Read Passage and answer questions

1. Main idea of Enzo Ferrari's quote was people do not see or remember who get second place but they only remember and ~~celebrate~~ celebrate the winners. Yurut's Diker story challenges it like that he ~~wasn't~~ isn't known because of his winnings or first-place but due to spectacular & continuous performances that overlook who was placed ~~the~~ first. He stands out due to love and respect we get.
2. Yurut Diker became iconic figure in sports by not his winnings but his dedication to sports and skills. He earned people's respect and admiration through his impressive and continuous performances. He was known for not his first place which he had many but due to his journey, challenges and dedication to sports.

3. There were many competitions in which his second positions were celebrated more than the victories themselves. This was due to many reasons. First and foremost he was loved due to his dedication to sports and humility. Secondly ~~he~~ it was said that he had ability to handle both victory and defeat with grace setting a standard for the fellows. These were the factors that contribute to Dike's second or third-place finishes being more celebrated than some first-place wins.

4. Media influence public perception of Dike's achievements by highlighting his story. It tells about his journey, hard work, challenges faced and dedication to sport. Show his defeat or third place. Media highlighted his journey would perspective of people that it ~~is~~ is not little ~~important~~ but hardwork, journey and person it makes which is important.

5. Xosun's & Dikey career teach us about the true nature of success in sports. our dedication to it; how we handle our victory or defeat. How face challenges and mold our self to the person we want to become. He teaches us that second place can be enjoyable than first. He also teaches us that we can't ~~to~~ just become iconic figure through first place but by the respect and admiration ~~to~~ garnered along the way.

Q.1

"Threat to democracy"

About 4 billion people have opportunity to cast their votes, through elections this year. But providing wrong info or not providing info is a threat to democracy. It depends on evidence based facts and knowing national. Distress about wrong information is valid, due to spread of misinformation to increase divide among people and weaken trust in elections.

Mainly there is concern about different types of propaganda, ~~or~~ fake claims about candidates or AI generated deepfakes to sway voters. Electoral process directly could be also attacked, as seen in Spain last year where non-state actors set up a wrong info on website ~~that~~ of ~~General~~ Regional govt that polling stations are to be attacked by terrorists.

Many ways to stop spread ~~the~~ ^{of} distress through misinformation exist, ~~like~~ eg educational ~~campaigns~~ ~~to~~ evidence based campaigns.

But development of these ~~req~~ requires

the scholars and practitioners; to understand seriousness of issue; separating info as false or misleading; and strict assurance that

~~mis~~ misinformation uphold democracy,
~~basic right~~ including basic right
freedom of expression.
