Q. No: 2 (Precis)

Misinformation, a challenge to Elections

Misinformation poses a great challenge to democratic process like elections.

Misinformation is usually spread to increase polarization, and to affect the electoral process.

Voters get influenced through conventional propaganda, controversial claims, and by AI produced deep-fakes. Some people might also attack process through other means. However, voters can be protected from misinformation through the help of educational awareness and evidence based campaigns.

It can only be possible when authorities understand the problem and intervene against misinformation.
