Final Analysis

THE ESSAY

Introduction:

It is the history of a state where a politician had been socially abused by blackmailing. A video which was AI generated and it was naked video of a politician and his wife, which was sent to her wife and daughter and made a shameful status of their family just because he left the seat. And after that it was verified that video is fake. And there is also an incident where the naked photos of a female politician were thrown off the helicopter. And media printed it.

Where the mass media is promoting the morality, there it is also spreading the immorality. In this essay ~~we~~ ^{it} will be discuss that how Mass media is spreading immorality.

The first section ^{of essay} will discuss the newspaper's role that, how it is spreading immorality. The second ~~section~~ ^{Section} of the essay will encounter the role of television in spreading immorality.
