Outlines

1 Introduction:

The media's - the most powerful entity on earth. They have the power to make the innocent guilty and to make the guilty innocent, and that's power! Because they control the minds of the masses. (Malcolm X)

In today's World, Media act a mind kidnapper. It can paralyze the mind and lose the creature ability to think. Mass media means source of communication to reach a mass audience. The most common platforms for mass media are newspaper, magazines, radio, television and the internet. Mass media spreading immorality through all media of communication. Radio, Magazines, Broadcasting through different use of apps like BIGO and POPS Live all are the sources

of Spreading Vulgarity. Websites, Television, YouTube & are creating Indecency in the new generation.
