3. Describe two factors that contribute to Dikec's second or third place finishes being more celebrated than some first-place wins.

The two factors that contribute to Dikec's second or third place finishes was being celebrated more than some

first place wins. Because firstly, he have the ability to <sup>gracefully</sup> handle both victory and defeat that = set

standard for others to follow. Usually there is a difference <sup>between</sup> when one ~~won something and when someone~~

~~loses something their attitudes becomes changed. This is the one reason/factor that contribute to Dikec's second~~

~~thir~~ Secondly, Dikec's performance have often ~~maked~~ by extraordinary skills and ~~determination~~.

For example, during world championship event, because of incredible comeback of him during the competition. These are the two factors

that contribute to Dikec's second and third place finishes more celebrated than some first place wins.

4. How does the media influence public perception of Dikec's achievements?

01

The media influences public perception of Dikec's achievements because media played a significant and vital role in highlighting the stories about his journey, challenges and dedication to the sport. Usually we see the title given to person on his performance but we are unaware of the struggle and challenges that a person face for reaching to particular position. In fact, sometimes not the title but journey of person behind it leaves lasting impact. That is the reason media influence public perception of Dikec's achievement by highlighting his challenges and struggle throughout his journey.
