f- Conclusion ✓

Your arguments are not enough for a complete essay. You need to inculcate more arguments.

The Essay

The former Prime Minister of UK David Cameron has asserted that The Evil of Corruption reaches into every corner of the world. It lies at the heart of most urgent problems we face. // Corruption

is ^A persistent problem across the world. It can be viewed as ^A major menace to the development and prosperity of ^{The} Society. ~~It diverts resources~~

Need to mature this sentence

~~away from the major sectors of society by profiting the only few. Corruption is considered as the worst disease of the world in this present as this worst disease can~~

impact the entire world by posing various Hindrances (restrictions) to the societies such as barriers to progress, providing road to disaster, exacerbating inequalities, eroding political rights and right to fair trial. Thus ~~democratic~~ corruption has dire

consequences and it is the Need to work on expressions prerequisite for prosperity to establish strict measures

According to ^{The} Transparency International, Corruption is the abuse of power for private gain. It is the unfortunate truth of present society that corruption persists in all countries around the world.

It manifests in various forms like bribery, kickbacks to

ground theft of public resources. with advance

You need serious work on your articles

technology corruption has become a transnational challenge and worst disease of

the world.

Such form of sentences are prohibited in academic writing

So as to discuss corruption is the worst disease

of the world, following are the major consequences of

corruption which make it worst disease.

Firstly, corruption is a major barrier to the progress. In 2022-2023 Fiscal year, Pakistan's railway and PPA reported loss of 200 billion rupees. Such extreme financial loss can be attributed to corrupt practices in organization

If you add some kinds of term, you will have to

Mainly job placement based on political affiliation. These positions are promised by quick pro quo and sell job make money. These are moral and ethical degradation as the people hired through such practices are more involved in further corrupt activities. These increases the burden on

common man in form of taxes. Resultantly corrupt practices lead to burden in development. They undermine productive goals at every turn in country.

Moreover, corruption can be considered as absolute road to disaster. Its prevalence hurt the poor. According to experts GDP needs to be increase

This is a statement not an

~~evidence~~ multiple of increase

in population rate. But as

result of corruption income

level is highly skewed **Incomplete sentence**

benefiting only elite class.

corruption prevents the poor

from participating in prosperity

and advancement at individual

and state level **at intensity**

all the evil practices in

society, especially abuse of

power and unequal resources.

Thus, it is totally **doomed** to
disaster.

Similarly corruption

affects the institution in

way that it **erodes** the

civil and political rights of

people. According to Amnesty International

1 trillion USD is **paid** in

bribery around the world.

people have lack of access to resources despite of major contributions in society. It

~~erodes the trust in public participation and democratic process~~
political rights impaired due

~~to nepotism, bribery, bad governance and held on power by those who are not actually deserving the~~

~~power. Corruption impact mostly the civil rights of marginalized groups and hampers access to healthcare, education and housing.~~

Evidence is not matched.

Research indicated that 14,000 children die every year due to lack of healthcare facilities attributed to corruption. This

~~data shows the grave impacts of corruption on basic rights of masses.~~

Another consequence of corruption is it exacerbates the social inequalities where rich becomes richer and poor becomes poorer. It increases social inequality through economic disparities, poor targeting of social programs, ~~use of wealth by~~ well to do lobby governments for favorable policies, lower social spending, unequal access to basic necessities. ~~Corrupt~~ patronage network prevent the fair access of resources to all sectors of society and in turn obsolete the social fabric through corruption.

Sentence is too lengthy

In addition to these, ~~the~~ corruption ~~serve~~

as impeachment do of right
 to fair trial. former Supreme
 court judge Maybood Bagoz
 said Judiciary is no exception,
 when it comes to corruption
 and shortcomings in this
 key pillar is result of including
 Judges if can not decide
