### Misinformation: A threat to Democracy

threat to democracy: Rigged elections  
Majority of people has the right to cast  
vote this year. but the democratic integrity is  
being threatened or misguided. The effective  
democracy relies on facts and well awarers  
among citizens. Particularly the voters are  
influenced by dissemination of information and  
fake claims about candidates. Anti democrators  
might attack the electoral process directly as in  
Spain happened last year. Different such as  
educational forums generating to counter the  
misinformation but the implementation needs  
seriousness of matter, acceptance of right information  
and promise not to intervene.
