

## "Misinformation misguides Election Process"

04/20

Misinformation: A Threat to Democracy

The election process is highly misguided now-a-days because

Please work on Sentence structure and grammar  
Be relevant to the original passage  
Reduce Precis length to 1/3rd of the original passage  
Title needs improvement

The inadequate information during the election process. More specifically, the deceptive practices for voters like false claims about candidates, using digital ways to deceive and propagandas.

don't add extra information

This is not how a democratic state works. A democratic state always prefer factual information and citizens being aware of that information. Other than internal, there can be foreign threats as well to the election process. For example, in Spain's election last year, their government's website was imitated to spread the false news regarding

as happened in Spain last year

Precis should be one 3rd of original passage  
Your passage reflect the original idea  
Don't take direct sentences from the passage  
It is not the narration do precis  
Title should be self-defining and self-explanatory to the passage

~~Terrorist attacks on polling station.~~

To such threats, there can be many solutions like general awareness to the public, countering misinformation with evidences, etc.

~~Avoid cutting~~

~~But, for these solutions to work there is need of realization of issue's sensitivity, acceptance that misinformation is sometimes backed by the~~

~~state officials and assurance that public voices will be heard with regards to any misinformation that may prevail.~~

Precis should be 1/3rd and you have written more than 2/3rd of the original passage
