Misinformation: A Challenge to Democracy
 There ~~was~~ ^{are} almost four billion adult franchises for current year's elections. But, misinformation beamed a challenge for democratic integrity because it enhances polarization and weakens trust in voting processes. There is a rising concern about evil influences on voters through propaganda, unconfirmed statements or AI generated misinformation. Anti-democratic agents may also directly attack the election process as happened in Spain. Three issues must be addressed to counter misinformation: recognizing the issue; accepting the need for categorizing misinformation; and ensuring the interventions against misinformation support democratic values.
