## Challenges to Visa process

for Pakistanis.

For Pakistanis, visa application to Schengen countries is like preparing for an event which will not happen. They treat Pakistanis as if Pakistanis are going to do some conspiracy, documents are rejected even before checking on the other hand, visa in Pakistan for western people is easy, they are even welcomed. Half of the energy of Pakistan is wasted in applying visa and if guaranteed then they are investigated more about the purpose for applying visa. They should treat Pakistani as humans not alien. maybe Schengen people will realize this after being line in Pakistani visa.
