Title: Small-Scale corruption incites
gigantic problems

A minor and negligible corrupt acts
normalize the culture of corruption,
as it rid out the foundation of
trust and fairness in society. ~~It~~

These smaller corrupt actions and
violations lead toward a systematic
corruption where everyone assumes
that violation of rules is a normal
thing. Even a small-scale corruption
inhibits the societal progress
and development. As an unqualified
and incompetent person acquires
an important position whether in
government machinery, industry or any
other place, it deteriorates the overall
progress and development. Further, it
badly impacts the social fabric
of a society because it feeds
inequality, hopelessness and distrust
among the common citizens. These
small scale corruption trigger

Date: _____

greater issues in political, economic and social landscape. ~~Therefore,~~

In order to make the world more just and equitable, ~~place,~~ & action must be taken against the minor and small scale corruption because the bigger would be corrected & themselves.

Date: _____
